

RUN DESCRIPTION

POSITION:	Counties Manukau District Pre-Vocational Medical Education Fellow
DEPARTMENT:	Clinical Education and Training Unit
PLACE OF WORK:	Counties Manukau District, Middlemore Hospital
RESPONSIBLE TO:	Director of the Clinical Training and Education Unit
FUNCTIONAL RELATIONSHIPS:	Healthcare consumer, Hospital and community based healthcare workers
PRIMARY OBJECTIVE:	Maintain and develop the education and training of prevocational trainees (House Officers) at Counties Manukau District Health Board (CMH).
RUN PERIOD:	12 months

Section 1: Purpose of the position

Responsibilities

The Prevocational Medical Education Fellow will be responsible for maintaining and developing the education and training of prevocational trainees (house officers) at Counties Manukau. The purpose of the role is to optimise the education and training journey of junior doctors by safeguarding protected teaching time, advancing educational programmes and initiatives, and by acting as an RMO liaison between junior doctors and clinical leadership.

The Prevocational Medical Education Fellow will work closely with the Director of Clinical Training (DCT) to develop and improve educational and training programmes for house officers. The position holder will also work with the Prevocational Educational Supervisor to facilitate the smooth transition of Postgraduate Year 1 and Year 2 House Officers to the workforce, including their personal and professional growth, and their health and wellbeing.

Section 2: Vision and Values

Organisational Shared Vision

Our shared Vision is to work in partnership with our communities to improve the health status of all, with particular emphasis on Maaori and Pacific peoples and other communities with health disparities.

We will do this by leading the development of an improved system of healthcare that is more accessible and better integrated.

We will dedicate ourselves to serving our patients and communities by ensuring the delivery of both quality focussed and cost effective healthcare, at the right place, right time and right setting.

<i>Organisational Values</i>	
Partnership	Working alongside and encouraging others in health and related sectors to ensure a common focus on, and strategies for achieving health gain and independence for our population
Care and Respect	Treating people with respect and dignity, valuing individual and cultural differences and diversity
Professionalism	We will act with integrity and embrace the highest ethical standards
Teamwork	Achieving success by working together and valuing each other's skills and contributions
Innovation	Constantly seeking and striving for new ideas and solutions
Responsibility	Using and developing our capabilities to achieve outstanding results and taking accountability for our individual and collective actions

<i>Place in the Organisation</i>
<p>The role will report directly to the DCT. Any significant issues will be escalated to the CMO.</p> <p>The Prevocational Medical Education Fellow may be faced with a wide range of complex issues and conflicting demands. They will discuss any concerns, issues or potential issues with the DCT quickly and discretely, and display good insight and sound judgement. The DCT will provide academic and professional oversight.</p>
