DEPARTMENT:	Respiratory / General Medicine, Medical Services
PLACE OF WORK:	Counties Manukau District Health Board including Middlemore Hospital and other related sites
RESPONSIBLE TO:	Service Manager and Clinical Director through their supervising Consultant (s) and the Clinical Head - Respiratory
FUNCTIONAL RELATIONSHIPS:	Health Care Consumers Hospital and community-based health care workers
PRIMARY OBJECTIVE:	To facilitate the safe and effective management of patients under the care of the Department of Medicine (and Respiratory Medicine subspecialty).
RUN RECOGNITION:	This run is eligible for recognition as part of an appropriate training program for specialist qualification.
RUN PERIOD	Respiratory Advanced Trainees will complete 3 months Off Ward and 3 months of Ward Registrar duties. Other trainees 6 months on Ward.

Section 1: Registrar's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
Clinical Duties	<ul style="list-style-type: none"> • The Registrar is responsible for the day to day medical care of Respiratory Medicine inpatients and will undertake a daily round of all these patients. • The Registrar will supervise the work of a House Officer, with whom they will organise the investigation and management of inpatients, requesting assistance from the designated Consultant when required. The Registrar is expected to ensure their patients are safely and efficiently handed over and to liaise with the other health professionals in the unit to ensure the required level of coordinated care to the patients is achieved and maintained. • The Registrar will be available to attend Consultant ward rounds and will have a current knowledge of the progress of inpatients under their care. • The Registrar will maintain a high standard of communication with patients, patients' families and staff. The Registrar will confer at all times with other clinical team members regarding discharge planning and progress of patients. • The Registrar will attend rostered outpatient clinics and endeavour to see outpatients at their scheduled appointment times. Out patients, will be discussed with the designated Consultant supervising that clinic. • The Registrar will attend rostered procedure lists. • The Registrar will report lung function tests as rostered and submit reports for Consultant review and feedback in a timely manner.
	<ul style="list-style-type: none"> • The Registrar will attend regular department meetings. • The Registrar will carry the acute Respiratory phone as rostered and will respond to calls in a timely manner. Acute duties will include seeing ward referrals, admitting patients and performing/assisting with pleural procedures, liaising with the designated Consultant where appropriate. • Clinical skills, judgement and knowledge are expected to improve during the attachment. <p>CMDHB Clinical Board policies are to be followed at all times. The Registrar will attend rostered procedure lists.</p> <ul style="list-style-type: none"> • Out of hours duties will include a component of General Medicine.

Area	Responsibilities
Administration	<ul style="list-style-type: none"> • The Registrar will review the Electronic Discharge Summaries (EDS) prepared by the team House Officer. The Registrar will send an amended EDS or dictate an additional letter to the GP after patient's discharge from hospital when complexity of diagnosis and management, or results of investigations available after discharge, makes this necessary. • The Registrar is responsible for the accuracy of the principal and secondary diagnoses and treatment/management and procedures performed recorded on the EDS. • Legible notes will be written in patient charts on assessment / admission, and whenever management changes are made. All documentation should comply with CMDHB Clinical Board documentation policy. • All instructions (including drugs, IV fluids and instructions for nursing) will be accurately and legibly recorded and legibly signed. • The results of all investigations will be sighted and signed electronically. The responsibility for results relating to inpatients may be shared with the team House Officer. The Registrar will refer results to the Consultant where there is uncertainty about the significance of the result. • The Registrar is responsible for the completion of death certificates for patients who have been under their care, although this may be delegated to a House Officer. • The Registrar will be expected to participate in audit programmes within Internal Medicine and, in particular, will be responsible for completion of a mortality audit form for each patient dying under his/her care and presenting this to the Consultant. • A letter will be written to the patient's GP after each outpatient visit. • The Registrar is expected to attend the weekly Department of Medicine Clinical Meetings as well as Respiratory Department Clinical and Academic meetings. There is mandatory attendance at the monthly Mortality Review Meeting and the quarterly Orientation and Quality Assurance meetings (unless on urgent clinical duties). • Obtain informed consent for procedures within the framework of the Medical Council guidelines which state: <ol style="list-style-type: none"> 1) "The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed." 2) "Council believes that obtaining informed consent is a skill best learned by the house surgeon observing consultants and experienced registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so."

<i>Area</i>	<i>Responsibilities</i>
	<ul style="list-style-type: none"> • If absent due to unexpected circumstances (e.g. health, other), contact the RMO Support Unit or, if after hours the Duty Manager directly as well as the Consultant to which the registrar is clinically responsible in the absent duty. • As an RMO working at CMDHB you will be provided with a Concerto login and CMDHB email account which will be used for all work related communication. It is your responsibility to ensure you check this regularly.
